Pro Pharmaceuticals Group: Accelerating Access, Transforming Lives Worldwide

Expansive Range of Unlicensed Medicines

At Pro Pharmaceuticals Group, we are dedicated to meeting diverse healthcare needs by offering an extensive range of unlicensed medicinal products. Our global supply chain spans the United States, Canada, Europe, and other key regions, enabling us to provide access to these essential medicines through the Special Access Scheme (SAS), Authorised Prescriber (AP), and Section 19A pathways. In full compliance with TGA advertising regulations, we invite healthcare professionals to contact us for detailed product information and support.

Commitment to Quality in Every Supply

We are committed to delivering the highest standards of quality in every order. Our state-of-the-art, temperature-controlled storage and logistics operations in Melbourne ensure that our products arrive in optimal condition. Trusted by over a thousand retail pharmacies and leading hospitals, we have become a preferred partner in pharmaceutical distribution across Australia.

A Legacy of Trust and Expertise

Founded by Sandip Manku, a dedicated Australian pharmacist, Pro Pharmaceuticals Group has been a trusted name in pharmaceutical wholesaling since 2015. With our tagline "Accelerating Access, Transforming Lives Worldwide," we are committed to fulfilling the critical needs of hospitals and pharmacies, earning a reputation for excellence and care.

Unmatched S19A Supply Solutions

As a leading S19A distributor, we specialise in sourcing and supplying critical medicines that are not yet registered in Australia. With expertise in navigating the complex pharmaceutical supply landscape, we ensure timely access to vital treatments while respecting the intellectual property rights of all stakeholders.

Please contact us for additional Information, orders can be also placed on-line by Approved Australian Retail Pharmacies.
